Headline: It is not too late to Share Your Dream

The Putnam County Community Foundation's annual Share the Dream program is underway, but it is not too late to contribute to an endowment supporting your favorite cause. Elaine Peck, Executive Director, reported that twenty-six endowments are participating so far this year. "We are delighted to be a part of all these worthy causes," said Peck. "The program is designed to give people an opportunity to share their dreams with others. A little competition for the public good benefits everyone and allows many people to experience the fun of giving."

Share the Dream begins May 1 and lasts until August 31. Program winners will be announced in September. The Community Foundation is offering three awards to Share the Dream winners this year: \$1,000 for the endowment that raises the most money during the Share the Dream Program; \$500 for the endowment receiving the most contributions via the Community Foundation's website at www.pcfoundation.org; and \$500 for the endowment that has the most first time donors.

The Putnam County Community Foundation is a nonprofit public charity established in 1985 to serve donors, award grants and provide leadership, enriching the quality of life and strengthening community in Putnam County.
